Applicants for grades one through eight should also complete educational testing by a school psychologist. You may work with any school psychologist that you like. For your convenience, below are some professionals that we have established relationships with.

- Dr. Rachel Guides, 610-783-3115
- Dr. Stacy Heindel, 215-920-6435
- Dr. Richard Reisboard, 610-896-8666

Visit day!

Our admissions office will schedule a day for your child to visit the grade he or she is currently in to see the school, make new friends, and have a great day at WMA. At that time you are also welcome to tour and meet with a member of our Admissions team while your child spends the day.
