Email Subject : WMA - Reading Olympics Competition Canceled

Dear Parent,

Please be advised that the Reading Olympics competition scheduled for tomorrow, Tuesday, March 10, has been canceled, along with all other Montgomery County Reading Olympics events for the season. The Montgomery County Intermediate Unit (MCIU) canceled the event in an abundance of caution while closely monitoring the evolving COVID-19 situation. They are acting with our students' best interests at heart. Our students have done a wonderful job preparing for this competition all year, and we plan to celebrate their reading accomplishments -- stay tuned for details.

Please let me know if you have any questions.

Sincerely,
Beth Hymel
