Dear Parent:

As we continue to make decisions to implement the Health and Safety Plan, it is important for us to have an idea of how many people will be in the building when we reopen in September. Please complete this survey by **August 17 once per child** to let us know how your child(ren) will return to school.

To better inform your survey responses, please review the FAQs about our Reopening Plan [here](#). These FAQs contain information about the learning options we are offering for your child(ren), how often you can change your family’s learning plan, and more that could affect your decision. The FAQs will be continually updated as plans unfold.

In closing, please continue to join us in prayer at 6:30 every night for those affected by the virus around the world.

In Mercy,
Ann Marie
