Hello All,

As you may or may not know, we have begun a Sign-Up Genius to allow parents to come to school on Friday to pick up materials that students need to continue distance learning. Teachers who have prepared materials for continuing distance learning may have also collected their students’ belongings. These teachers have already forwarded, or will shortly forward, the Sign Up Genius to their parents detailing what can be picked up.

This pickup is not to be confused with sending home students’ belongings school-wide. This will occur at a later date, so stay tuned for these instructions if you have not yet heard from your teacher. If you need a particular item right now and have not yet received an email from your teacher, please email Christine Burrell at cburrell@waldronmercy.org and she will handle your request.

Thank you for your understanding!
