We are excited to continue to offer Private Music Lessons at WMA this year and work together to create a safe environment for both students and teachers. Here is a list of the current guidelines we will be following at the beginning of the school year.

- **Virtual Lessons**
  - Students will use ZOOM through your WMA log in of all private lessons
    - Parent must be present and within ear-shot of all lessons.
    - Parents and Students agree to follow all WMA virtual learning guidelines and protocols during lessons

- **In-Person Piano Lesson Procedure:**
  - Each room will be equipped with two pianos separated be a plexiglass divider
  - At the start of each lesson day, Music Teacher will verify the following:
    - The cleaning station in their room has adequate supplies
    - The window in the studio is opened
    - The door is left open or ajar to allow fresh airflow
  - Students in grade 3 and below will be escorted to and from their lessons by their music teacher.
  - Students in grade 4 and above will be asked to come down to their lessons at their appointed time. There will be a marked spot in the hallway outside the lesson room for them to wait for their appointed time.
  - Students must bring their own music books to each lesson.
  - Student and Teacher will wear face masks and stay behind barriers during lessons
    - Lesson procedure
      - There will be a hand sanitization station in each lesson room that students and music teacher will use before and after each lesson.
      - Students will sit at the Student Piano and remain there during the lesson
      - Teacher will sit at the Teacher Piano on the opposite side of the plexiglass barrier.
      - After the lesson, the teacher will wipe down the Student Piano and allow the proper dwell time for the cleaning product before the next lesson
- **In-Person Guitar, Drum, Violin and Cello** Lesson Procedure:
  - Each room will be equipped with a plexiglass divider
  - At the start of each lesson day, Music Teacher will verify the following:
    - The cleaning station in their room has adequate supplies
    - The window in the studio is opened
    - The door is left open or ajar to allow fresh airflow
  - Students in grade 3 and below will be escorted to and from their lessons by their music teacher.
  - Students in grade 4 and above will be asked to come down to their lessons at their appointed time. There will be a marked spot in the hallway outside the lesson room for them to wait for their appointed time.
  - Students must bring their own music books and instrument to each lesson.
  - Student and Teacher will wear face masks and stay behind barriers during lessons
    - Lesson procedure
      - There will be a hand sanitization station in each lesson room that students and music teacher will use before and after each lesson.
      - The Student and Teacher will sit on opposite sides of the plexiglass barrier and maintain a 6 ft distance during the lesson.
      - If the Student’s instrument needs to be tuned, the Teacher will wear gloves prior to and while touching the Student’s instrument.
      - **Drum Lessons** - Students must provide their own drum sticks.
      - After each lesson, Teacher will wipe down all surfaces touched by student

- **In-Person Voice** Lesson Procedure:
  - Each room will be equipped with a plexiglass divider
  - At the start of each lesson day, Music Teacher will verify the following:
    - The cleaning station in their room has adequate supplies
    - The window in the studio is opened
    - The door is left open or ajar to allow fresh airflow
  - Students in grade 4 and above will be asked to come down to their lessons at their appointed time. There will be a marked spot in the hallway outside the lesson room for them to wait for their appointed time.
  - Students must bring their own music books to each lesson AND their own Singer’s Mask (information will be provided on where to order).
  - Student and Teacher will wear face masks and stay behind barriers during lessons
    - Lesson procedure
      - There will be a hand sanitization station in each lesson room that students and music teacher will use before and after each
lesson. The Student and Teacher will stay on opposite sides of the plexiglass barrier and maintain a 6 ft distance during the lesson.

- After each lesson, Teacher will wipe down all surfaces touched by student

Note:
Students waiting in the hallway for a lesson must check in with the music teacher before waiting. They must stay in the chair provided outside the lesson, which is 6 feet from the lesson room and 20 ft apart from each other. Masks must remain on while in the hallway.
